Description

Property located in an excellent area, on Comandante Luis Piedra Buena. Although it is under the Horizontal Property regime, neither vehicular nor pedestrian entrances are shared, nor do they have green spaces. Each PH has entrances through different arteries. Built on two floors with a total of 180 m2 built. Ground floor: Integrated kitchen, living room, one bathroom, a large laundry room, and an entrance hall. Very bright. This floor has been completely remodeled, modernized, and functional. It also has two entrances, one main and one secondary from the laundry area. Ground floor: These rooms have not been remodeled like the ground floor; they have the original construction materials, except for the upper bathroom, which was newly built. Distributed in four bedrooms and the aforementioned bathroom. New wood-like PVC openings. EXTERIOR: Front of the lot is fully landscaped and planted with trees. With an iron perimeter fence. Entrance and capacity for two vehicles with an automated gate.
